Dear Business Owner:

The City of Orange Beach, Alabama has contracted with Rivertree Systems to conduct audits for the City business licenses, sales, use, rental/lease, lodging and all other applicable taxes collected by the City. The City regularly audits our collections to ensure that we are being fair and equitable to all parties doing business in the City of Orange Beach.

The City values your business and the revenue you provide for our continued operations. We recognize the fact that there may be some inconvenience during this process. In order to cause as little disturbance in your operations as possible, we would appreciate your cooperation with the Rivertree representatives.

Again, thank you for your assistance and patience in this matter.

For the City,
